Dear Ms. Vertheim:

We have reviewed your ordinance for the municipal adoption of the Uniform Dwelling Code (UDC) and found it acceptable. You may begin enforcing the UDC per its administration and enforcement requirements of Ch. SPS 320, for all new one- and two-family dwellings as well as new alterations and additions to dwellings originally built since June 1, 1980. Note that all inspections must be performed by properly certified inspectors.

It is our understanding that the Town of Ironton will be contracting with Peter Giese (General Engineering) for UDC Inspection and Plan Review Services.

Feel free to contact me if you have any questions.

Sincerely,

Lenny Kanter
